ARTS & ENTERTAINMENT

The Silver Spring Arts and Entertainment District

The Silver Spring Arts and Entertainment District, designated by the State of Maryland in January 2002, is the first and only A&E district in Montgomery County; and one of only four in the entire state. The A&E district combines incentives to attract artists and entertainment venues to a concentrated area. The incentives include a number of tax benefits plus financial assistance available from the Maryland Economic Development Assistance Fund.

Lively and vibrant Downtown Silver Spring is the real incentive, its many community amenities reflecting its renewed vitality as a preferred destination for work, play, and quality living. Redevelopment is creating a lively place filled with exciting people.

BIT BY BIT . . . PUTTING IT TOGETHER

Building on already-existing arts and entertainment programs, along with the arrival of the American Film Institute, Discovery Communications, and Round House Theatre, the new district will offer income tax relief to artists,

and financial assistance to arts and entertainment projects. Other benefits include admission/amusement tax exemption, and property tax credit for capital investment to renovate a property for artists to live and work in, or for an arts and entertainment enterprise.
